

Developments in Wealth Planning, Structuring, & Family Succession in the Middle East

3.00pm

Developments in Wealth Planning and Structuring, and Family Succession in the Middle East

- What are the developments we are seeing in the Middle East?
- How are client requirements changing?
- How are you making the most of these opportunities?
- What are the new regulatory and compliance challenges?
- How are you responding to legal changes?
- What are the most robust solutions for clients today?
- How are you collaborating with other professional services firms?
- Residency and Citizenship developments
- How are you connecting with other jurisdictions?
- Have there been any positive consequences from Covid-19?
- How is HNW Life Insurance developing in the Middle East?
- What insurance products are relevant and interesting to clients?
