Independent Wealth Management Firms – Growth Strategies

- Is the independent model more appealing than ever?
- How do you intend to grow your platform over the next 12-months?
- Post Covid-19, what will you do differently?
- What will change in your business operating model?
- Investments – what is likely to change around portfolio construction and delivering advice?
- Will EAMs and MFOs become more platform based?
- Will clients want more choices and flexibility to make their own investment decisions?
- Will we see more internally branded exclusive investment products?
