| 3.00pm | Indian Wealth Management – where does the industry go from here? |

- What are the key developments in Indian Wealth Management in this new environment?
- Practice management and dealing with day-to-day life – how are you coping?
- How must wealth managers drive innovation and reformat the value proposition?
- How will you sustain your relevance and fees?
- How do you intend to grow your platform over the next 12-months?
- Post Covid-19, what will you do differently?
- What will change in your business operating model?
- Investments – what is likely to change around portfolio construction and delivering advice?
- How will you engage with clients in the future?
- Will this accelerate some trends underway (e-banking / wealth management), or make the “trusted advisor” more important than ever?
- What type of institution will be the biggest winner post Covid? Why?
- How will you digitally empower teams in the future?
