

# Maximising the NEXT GEN opportunity

3.00pm

Looking to the Future - Estate & Succession Planning and Asia's Next Generations

- How are Asian families dealing with the next generation and business succession?
- How prepared are next-generation family business members for wealth transfer?
- Are today's wealth managers building meaningful conversations with families about wealth and family business succession issues?
- How do you steer family wealth planning towards a multi-generational vision?
- What role should robust family and family business governance play, and why?
- Is enough being done to mitigate or avoid family disputes?
- Are there more opportunities to offer diversified advice to the younger generations?
- How does the industry offer the client better ideas and greater value?
- How can the Next Generation engage in a dialogue with their families about their own aspirations?
