Singapore - the 'go-to' centre for Asian UHNW families

- Why is Singapore so compelling for SFOs (Single-Family Offices) and MFOs (Multi-Family Offices)?
- Why should families set up a SFO in Singapore?
- What are the options? Why should Families consider a Singapore Private Trust?
- The Variable Capital Company – how can SFOs use the VCC?
- External counsel and professional services – How do you find cost effective and value-added advisers?
- Trends of onshoring – Is moving structures from offshore Jurisdictions to International Financial Centres like Singapore now the right choice?
- Any new options and drivers in the post COVID-19 world?
- What has to be done on day 1? What's the cost? Office space? What staff do you need to employ and when?
- What can you outsource and what must be in house?
- Regulation and compliance – what's necessary? What licence do you need?
